Experience

Deep Sky – *Animator*

October 2019 - November 2019
October 2018 - November 2018
October 2017

- Balanced speed with quality under strict deadlines and short turnarounds, meeting every schedule and high expectation
- Collaborated closely alongside members in other departments
- Acted as the primary animator and was responsible for maintaining personal efficiency

Hinge – *Jr. Animator/Animator*

May 2017 - October 2017
July 2016 - September 2016

- Handled a diverse set of characters including: aliens, robots and different types of humanoid characters with distinct personalities
- Adhered to strict pipeline layouts and file structures
- Completed many complex shots that had gimbal locking, multiple constraints and IK/FK switches
- Transitioned storyboards into final animation, including layout, camera setup, previs sequences, key frames, animation tests and polished animation
- Worked under the supervision of the Lead Animator and Animation Director, responding to feedback in a timely manner

INCIGHT – *Animator*

February 2019
October - November 2018

- Animated moving images and icons using After Effects for online educational development videos

Fiverr – *Freelance 2D and 3D Animator*

January 2020 – Ongoing

- Managed my own time and production in accordance with client expectations and demands

Sprocketship – *CG Animator*

July 2016

- Animated characters for an interactive children's storybook
- Created lip sync animation for multiple characters
